PART B FOR October 1904.

SUBJECT.

Patronage of Superintendents and Assistant Superintendents of Police, + and Courts in charge of Sub Treasuries in respect of appointments &c in the clerical establishments directly subordinate to them.

T. O

FILE No. 124 of 1903-04.

Patronage of Superintendents and Assistant Superintendents of Police in respect of appointments, etc., in the clerical establishments directly subordinate to them.

1 From the Inspector General of Police in Mysore, No. 5498, dated 7th March 1904.
Requests that Superintendents and Assistant Superintendents of Police may be empowered to nominate and promote hands up to Rs. 25 in the clerical establishments directly subordinate to them, subject to the confirmation of the Deputy Commissioner.

2 To the Deputy Commissioners of Districts, No. 2603-10, dated 1st June 1904.
Forwards a copy of Serial No. 1 for favor of their views on the recommendation of the Inspector General.

3 From the Deputy Commissioner, Kolar, No. 1822, dated 4th June 1904.
States that though the recommendation made by the Inspector General may be right in principle, in practice it will be attended with some inconvenience as under the existing arrangement the Police office being only a part and parcel of the Deputy Commissioner's office, the officials working in the Police section could be transferred to any other section on promotion on the occurrence of a vacancy.

4 From the Deputy Commissioner, Shimoga District, No. 700, dated 6th June 1904.
Concurs with the Inspector General of Police in the matter.

5 From the Deputy Commissioner, Chitaldrug District.
States that it is but fair that Superintendents and Assistant Superintendents should, like Assistant Commissioners, have the power to nominate and promote hands up to Rs. 25 in the clerical establishments directly subordinate to them, subject to the approval of the Deputy Commissioner.

6 From the Deputy Commissioner, Tumkur District, No. 634, dated 10th June 1904.
Accords his unqualified approval to the Inspector General's proposal made in Serial No. 1 above.

7 From the Deputy Commissioner, Kadur District, No. 8, dated 6th July 1904.
States that the District Police office is, unlike the Assistant Commissioner's office, but a portion of the Deputy Commissioner's office, and as such it is not advisable to deprive the Deputy Commissioner of his power to make appointments, etc, in his own office.

8 From the Deputy Commissioner, Mysore District.
Expresses his opinion that Superintendents and Assistant Superintendents of Police cannot be empowered to nominate or promote hands up to Rs. 25 independently in the clerical establishments, and that the memo of the powers of these officers attached to Government Order No. 450-60 of 1st November 1891, seems to meet the requirements of the case amply.

9 From the Deputy Commissioner, Hassan District, No. 45, dated 26th July 1904.
States that there are only two posts whose appointments could rest with the Superintendent or Assistant Superintendent and that therefore the powers (if given) would be nominal, and that for reason stated, the powers of nomination could not rest entirely with the Police Superintendents and Assistant Superintendents although their wishes would to a great extent consulted prior to effecting the necessary transfer of hands from one Department of the Deputy Commissioner's office to another.

10 From the Deputy Commissioner, Bangalore District, No. 96, dated 3rd August 1904.
States that even at present the appointments and promotions up to Rs. 25 are made by the Police Superintendents and Assistant Superintendents and the Deputy Commissioner confirms them, and whenever the latter himself appoints or promotes he does so in consultation with the former, and cases where Deputy Commissioners make the appointments independently are only exceptions.

11 To the Inspector General of Police, the Revenue Commissioner, the Deputy Commissioners of Districts and Comptroller, Government Proceedings No. 920-30, dated 14th August 1904.
Approve of the proposals made in Serial No. 1, and direct that Police Superintendents and Assistant Superintendents as well as Treasury Assistant Commissioners may, subject to the approval of the Deputy Commissioner concerned, appoint, suspend, fine or remove officials of the clerical establishment directly subordinate to them whose salary does not exceed Rs. 25 per mensem.

the officials of the Dt Police office will have to look for their promotion in their own office which at present has only limited hands. They contend that the Police Assistant Supdt or Supdt stands in the relation of an Assistant in the Police Department & that there is no analogy therefore between them and the Assistant Commissioners of the Revenue Department who have an office of their own. The Deputy Commissioners of Mysore and Kadur Districts are for the same reasons not in favour of the proposal. It is added that the Asstt Superintendents are often consulted whenever a vacancy occurs in the Head quarter office. Thus it may be seen that the opinion is equally divided, 4 for and 4 against the Inspector General's proposal.

Sir,

I have the honor to state that Superintendents or Assistant Superintendents of Police have at present no voice in the appointment of the Office establishment under them, while such is not the case with Assistant Commissioners and Amildars. These Officers are empowered to make nominations of certain clerical hands attached to their establishment with certain limitations. I am therefore inclined to think that the Police Officers of higher grades such as specified above should be placed on a par with Assistant Commissioners, as far as patronage goes, by being empowered to nominate and promote hands upto ₹25/- in the clerical establishment directly subordinate to them - subject to the confirmation of the Deputy Commissioner.

Sir,

With reference to your docket No. 2603-10 / J. 712-01-02 of the 1st instant, I have the honor to state that the recommendation made by the Inspector General of Police is no doubt right in principle, but will, I fear, be attended with inconvenience in applying it

it in practice. As things stand at present, all the Establishments under the Deputy Commissioner are treated as one in the matter of patronage and promotion; the deserving hands of one Department being freely promoted to another Department on the occurrence of a vacancy. The Superintendent or Assistant Superintendent of Police has certainly a voice in the filling up of the vacancies in the ex Police Clerical line, and his proposals always receive consideration.

2. The District Police Office is the Office of the Deputy Commissioner, and not of the Superintendent

Superintendent of Police. The latter officer stands in the relation of an Assistant in the Police Department, unlike an Assistant Commissioner, who has an office of his own.

Sir,

In reply to your docket, No. 2603-10 / J.J. 12907-02, dated the 1st June 1904, calling for my opinion on the subject of a proposal made by the Inspector General of Police that Superintendents and Assistant Superintendents may be empowered to nominate and promote officials in the District Police Office up to Rs 25/-, subject to the confirmation of the Deputy.

Commissioner, I have the honor to submit that the District Police Office is not an independent Establishment, but only a portion of the Deputy Commissioner's Office, and, as such, it is not advisable that the Deputy Commissioner should be deprived of the power of making appointments on his own Establishment. Assistant Commissioners have their own separate Establishments independently of the Deputy Commissioner's Office, and they have, therefore, been properly vested with powers of nomination, punishment

and removal over such Establishment within certain limitations.

2. In the Police Force, Superintendents and Assistant Superintendents have the power of appointing and dismissing Constables and Daffedars and nominating Jamedars subject to confirmation by the Deputy Commissioner.

3. As the Superintendent or Assistant Superintendent of Police is in immediate charge of the Police Department of the Deputy Commissioner's Office, he is invariably consulted in the matter of appointments and transfers of clerks employed in the Department. confirmation of the Deputy Commissioner, has the honor to state that the clerical Establishment of the District Police Office consists of only four officials as specified in the margin*. The sanction of the Inspector General of Police is required for the appointment of the Head Munshi on Rs 40/- per mensem while the appointment of the Deputy Munshi rests in the Deputy Commissioner. There will ten be only two posts whose appointments should rest in the Superintendent or Assistant Superintendent of Police as suggested by the Inspector General of Police. As per para 6 of Circular No 107-2 dated 6th May 1885 issued by the Police Secretary it is laid down that "the Police Assistant Commissioner should have entire charge of the Head-Quarters Establishment attached to the Deputy Commissioner and to

Inspector General of Police the Superin-

the two latter grades of officials men-
=tioned above. The power of patronage
extended to them would only be nominal
rather than real, since it is confined
to only two officials who would have
a very long time to wait for promotion
if the same be restricted to the Police
Office of the District. But if, as is now
the practice, Officials of the District
Police Office are given opportunities
of promotion according to their com-

have the same advantage as officials
of the District Forest Office as well
as those of the Offices of Assistant

Police Office be promoted by the
Deputy

Deputy Commissioner to the District Office or any of the other Offices above mentioned it would be unfair for the next senior competent official of the Office, concerned to be transferred to the District Police Office on a step of promotion. Hence the nomination and promotion in such instances could not rest entirely with Police Superintendent or Assistant Superintendent although of course their wishes would to a great extent be consulted prior to effecting such transfers for the benefit of both officials, concerned.

3. It would undoubtedly be very hard on the officials of the District Police Office if their promotion be required to be confined to the narrow limits of four posts only, since their office has long

unconsidered (equally with the Dis-
-trict Forest Office) a portion of the
Deputy Commissioner's Office

4. Although Assistant Com-
-missioners are empowered under
Land Revenue Rule 7 to appoint,
suspend or dismiss officials of their
establishments upto a limit of
Rs 25/- the same arguments apply
to those establishments also, since
they consist of a few hosts only.
Moreover those establishments are
not described as portions of the
Deputy Commissioners establish-
-ment as in the instances of the
District Police and Forest Offices.

5. Under these conditions
the proposal of the Inspector General
of Police does not appear practica-
-ble unless the four officials of
the District Police Office are treated

to be cut off from chances of pro-
-motions to other Departments of the
Deputy Commissioner's Office and
the Offices of Assistant Commissioners.

Sir,

With reference to your
No 2603-10 dated 1st June 1904,
J 312 of 01-02
forwarding for my opinion copy of
letter No 5498 dated 9th March 1904,
340
from the Inspector General of Police
in Mysore, recommending that
the Superintendents and Assistant
Superintendents of Police may

be empowered to nominate and promote hands upto Rs 25/- in the clerical establishment subordinate to them, subject to the confirmation of the Deputy Commissioner. I have the honor to state that so far as I am aware this is just the thing that is being done. Generally, the Superintendent or the Assistant Superintendent nominates and promotes upto Rs 25/- and the Deputy Commissioner confirms it. Or the Deputy Commissioner himself appoints and promotes in some cases, but it is done in consultation with the Superintendent. Even appointments between Rs 25/ and 40 which rest with the Deputy Commissioner are made

10 in consultation with the Superintendent invariably.

If, however, appointments of, and below, Rs 25/- are made by the Deputy Commissioner independently, such instances are only exceptions.

I have the honor to be,

Sir,

your most obedient Servant

Deputy Commissioner
